Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant's representative, Wen Liu, called with questions regarding the final rejection mailed on 10/4/2007. More specifically, the representative wanted to gain clarification in the Examiner's interpretation and rejection of the independent claim. The Examiner noted that claims are read in light of the specification and suggested for the Applicant to amend the independent claim by adding other limitations in the specification into the claim in order to better distinguish the claim from the prior art.
